

Alternate Route to hear the Son of Man

May Allah's-Salaam-Alaikum.

As of April 3, 2017, our main YouTube page's live stream capabilities were revoked by YouTube. We are currently attempting to contact them in order to restore our live stream service.

In the meantime, we have established a backup page where you can still listen to the Son of Man live on YouTube.

Please click the below link to go straight to the backup page:

<https://www.youtube.com/user/brothermichael1999>

Also, you can access the live stream by going to www.youtube.com and typing into the search bar: "Son of Man, (and the date)"

For example, if you are trying to watch the live stream for Sunday, April 9, 2017: here is what you should type in:

"Son of Man, April 9, 2017"

If you experience any other issues, please contact Brother Michael or Brother Jamar by calling or texting:
